

Family HealthCare Network has launched a Virtual Visit line to assess your medical needs and connect you to the appropriate care immediately. Consultations are available over the phone or video chat with your provider. If you are sick, have questions about COVID-19, or need medical attention call Family HealthCare Network.

Fresno County

📞 866-342-6012

Tulare & Kings Counties

📞 877-960-3426

Your symptoms will be evaluated via phone or video chat. Your provider will be able to prescribe medication for your symptoms and determine if you meet criteria to come for **drive-thru COVID-19 testing**.
